MESSES JARDINE MATHESON & Co. HEAD OFFICE, NO. 39, QUEEN'S ROAD. The Honggong Fire Insurance Company, which expires by efficient of time in a few CHINA TRADERS INSURANCE months, having proved a highly successful undertaking, it has been determined by a large number of its sparsholders to form a perplanent Company, under the same management und with increased Capital.

It is proposed to register the Company under the Limited Liability Ordinance, and the amount of the Capital having been fixed at to the Slat October last, to afford the distribution of Dollars, it is considered that tion of the 25% Profit reserved for the Contributions will be amply secured thereby, while insurers will be amply secured thereby, while buters to the Company.

at the same time such shareholder will know AUGUSTIN the extent of his individual liability. The Capital proposed to be colled up amounts to a 1m 2 Hongkong, 1st January, 1869, harge sum, and provision will be made for the creation of an simple Reverse Fund, which will, it is expected, in a very short time accumulate to an amount practically to give the fullest isenrity both to losurers and Insured, irrespec-

It is intended to anticipate the termination of the bands of the Society FOR SALE, of the Old Company, by dissolving it from and Sealed Tenders for purchase of the same, after the Stat December next, and measures are marked "Tender for Share No. being taken for that purpose, In anticipating a moccessful career for the Now Company, it is only necessary to present to the public the results of the Old Company, emocita establishment in May, 1866, as cabihited by the following figures :-The total premiums collected from . the 11th May, 1866 to the present

time, a period of only 2 years and within the same period have amounted to and include the large sum of \$65,270. lost by the Fire at Hongkong in No-The amount pow at the Credit of the Working Account, after paying all
